

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 2010-196-T - ORDER NO. 2010-486

JULY 22, 2010

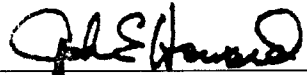

IN RE:	Petition of Charleston Portable Storage,)	ORDER GRANTING
	LLC; Portable Storage of North Carolina,)	RECONSIDERATION
	LLC; Upstate Storage Partners, LLC; and)	
	Portable Storage and Moving of Columbia,)	
	LLC for a Declaratory Judgment)	

This matter comes before the Public Service Commission of South Carolina (“Commission”) on two Motions to Reconsider filed by Upstate Storage Partners, LLC and Portable Storage of North Carolina, LLC (together, “the two Companies”) of our holding in the directive of June 23, 2010 in this Docket, which was subsequently memorialized in Order No. 2010-445. In that directive, and subsequently, in that Order, we held that, since the scopes of authority for these two companies were not specifically limited to PODS-type loading by the shipper, this Commission could not declare the two Companies’ existing certificates moot. It was noted that such activities were exempted by Federal law from this Commission’s jurisdiction. We did go on to say that the certificates of these Companies could be declared moot if the two Companies furnished sworn affidavits to the effect that the Companies only furnish PODS for loading and unloading by shippers, and that they would not do otherwise if this Commission declared their certificates to be moot.

After our issuance of the June 23, 2010 directive, both Companies furnished the described sworn affidavits to this Commission. Accordingly, we grant reconsideration of our original holding, and find that the Certificates of Upstate Storage Partners, LLC and Portable Storage of North Carolina, LLC provide PODS service, which is exempt from this Commission's jurisdiction, and this Commission hereby declares the two Companies' Certificates of Public Convenience and Necessity to be moot on the basis of their sworn representations.

This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

John E. Howard, Chairman

ATTEST:

David A. Wright, Vice Chairman

(SEAL)
